The St. Charles Mothers' Club was founded in 1924 by Dr. Edith Lowry to provide mothers with the proper guidance and physical care of their babies. Since then it has evolved into a not for profit 501(c) 3 organization that supports the community. We offer a scholarship program, breakfast bar program, Holiday food & gift drives & donating our time as volunteers throughout the community. Annually we donate the money we raise to local charities as well as our Sherry Costello Scholarship Fund in which we award mothers in financial need who are furthering their education in order to enrich their lives & the lives of their families.
