The St. Charles Mothers' Club was founded in 1924 by Dr. Edith Lowry to provide mothers with the proper guidance and physical care of their babies. Since then it has evolved into a not-for-profit 501(c)3 organization that supports the community. We offer a scholarship program, breakfast pantry program and holiday food and gift drives. We donate our time as volunteers throughout the community in many different capacities. Annually we donate the money we raise to local charities, as well as our Sherry Costello Scholarship Fund in which we award several scholarships to mothers in financial need who are furthering their education in order to enrich their lives and the lives of their families.
